of health, she knows that personal charm and attractiveness need not worry. They are hers. That is the secret.

The story of Mrs. Hattie Hamilton, 817 Myrtle Avenue, Latonia, Kentucky, is typical. She says: "I have never in all my life, until recently, weighed over 102 pounds. Finally, I began to take Peruna. My weight now is 120. While I didn't really need it, I have started on the third bottle. Peruna has certainly done me a great deal of good and I recommend it to my friends. Several are taking it."

It is surprising the amount of dependence placed by women everywhere upon Dr. Hartman's World Famous Peruna. For forty-five years it has been a household remedy for coughs, colds, catarrh and all catarrhal inflammation whether

SPARTACAN LEADERS KILLED BY GERMAN MOB.

BERLIN, Jaunary 20 .- Dr. Karl Liebknecht and Rosa Luxemburg have been killed.
Dr. Liebknecht was shot and killed

knecht was born at Leipsic on August 13, 1871. He was a radical opponent of the militarist policies of Germany, and this attitude brought about his trial on a charge of high treason in 1907, following the appearance of an anti-military pamphlet written by him. He was convicted on a less serious count and sent to prison for eighteen months.
Dr. Liebknecht visited America in

1910 and lectured in New York. In 1912 he was elected to the German Reichstag from Potsdam and the next year caused a furore in Germany by bringing charges against the Krupps, saying that the organization was inspiring war spirit against the French. He continued his attacks and in the course of debates mentioned Emperor William and the crown prince as being involved in the alleged

conspiracy centering around Krupps.
